Entry

Nursery and Kindergarten

There are two intakes into Nursery, one in September the other in January. Children must be over 2 ½ years old to join us, and usually attend for mornings only. The number of mornings that pupils attend is entirely up to the individual; afternoon sessions become a further option in the Summer Term. The Nursery class feeds into Kindergarten where mornings and afternoon sessions are available year round. Attendance in both classes can be reviewed throughout the year and changed termly.

Reception

Full time education begins in the Reception classes and children entering the school from this point onwards are assessed for entry.

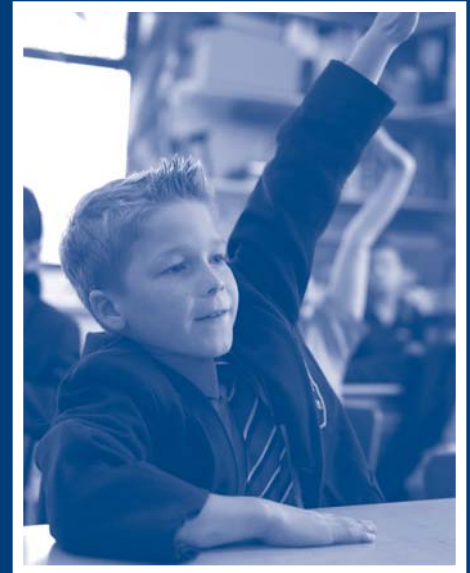

Entry Procedure

We admit children with varying ranges of ability and assessment is necessary to ensure that children are able to cope with the academic curriculum and life at the school. Assessment is carried out during an informal taster day incorporating short standardised tests dependent on level of entry and observations by the appropriate Form Teacher during a typical school day.

Registration & Admissions Procedure

If you wish to place your child on the entry list for admission please complete the form at the back of this booklet and return it to the Registrar together with a non refundable registration fee of £50. Cheques should be made payable to Sevenoaks Preparatory School.

In all cases early registration is recommended.

A Way of Life

The Pre-Prep and Prep School enjoy the same spacious site and share a common ethos, yet each has its own distinctive character. In the Pre-Prep the children are encouraged to work and play according to their Golden Rules and the Prep School children have their Way of Life.

Pre-Prep Golden Rules

- 1 Do be gentle
- 2 Do be kind and helpful
- 3 Do work hard
- 4 Do look after property
- 5 Do listen to people
- 6 Do be honest

A Way of Life

- 1 I ought to think at all times how my every action will affect others in my life - parents, friends, relations, teachers and everyone younger than myself.
- 2 I ought to treat all others as I would want to be treated myself.
- 3 I ought not to touch anything that is not mine, unless with permission or unless I am being helpful.
- 4 I ought to take a personal interest in how other people feel.
- 5 I ought to be polite to everybody at all times and be positive in my actions.
- 6 I ought to take responsibility for my maturity by ensuring I assist in the smooth running of the school and my home.
- 7 I ought to obey in the right spirit the instructions of my teachers and parents.
- 8 I ought to report immediately any damage or unfortunate behaviour to my teachers and/or my parents.
- 9 I ought to remember that in life my aim should be to solve problems not cause them, to build bridges rather than knock them down, to trust others and to be trusted, to put the need of others first and mine last, to improve and make better whatever or whomever I am involved with.
- 10 I ought, at all times, to be totally honest to myself and to others.

Arranging a visit

We prefer not to hold open mornings; instead we like to plan a personal visit around your schedules and requirements. In this way we have the opportunity to meet each family personally and you have the chance to see the children at work and play at the school. Please call our Registrar, on 01732 762336 or email registrar@theprep.org.uk for more information.
