COMPLAINTS PROCEDURE POLICY

Introduction

A vital aspect of working in a close partnership with parents is that we want to know when things are, in the view of parents, not going right. If you have any concerns about any aspect of your child's life at school, please contact an appropriate member of staff as soon as possible. We will take all such expressions of concern seriously and follow them up courteously and promptly. In any school things can go wrong but we want to do all we can to sort those things out.

Two things tend to make parents and pupils reluctant to express concerns:

- A fear that the school will not see the issue to be important. Please be assured, if it is important to you, it is important to us.
- A fear that a complaint may lead to repercussions for the pupil. Please be assured that under no circumstances will the school discriminate against a pupil because of expressions of concern or complaints. We are also very experienced in ensuring that, if other pupils are involved (e.g. in an allegation of bullying), there are no repercussions from other quarters.

Sevenoaks Prep has long prided itself on the quality of the teaching and pastoral care provided to its pupils. However, if parents do have a complaint, they can expect it to be treated by the School in accordance with this procedure.

Stage 1 – Informal Resolution

- It is hoped that most complaints and concerns will be resolved quickly and informally.
- If parents have a complaint, they should normally contact their son / daughter's form teacher or subject teacher. In many cases, the matter will be resolved straight away by this means to the parents' satisfaction. If the form teacher or subject teacher cannot resolve the matter alone, it may be necessary for him / her to consult the relevant Head of Department, Assistant Head, Second Master or the Head of Pre-Prep as appropriate.

Complaints Procedure Policy: Updated Spring 2018

- Complaints made directly to a Head of Department, an Assistant Head, the Second Master, the Head of Pre-Prep or the Headmaster will usually be referred to the relevant form teacher or subject teacher unless it is deemed appropriate for him / her to deal with the matter personally. In this event, the 'line manager' will normally attempt to resolve the matter within the working week or as soon as is practicable.
- The relevant member of staff will make a written record of all concerns and complaints and the date on which they were received. Should the matter not be resolved within the working week or in the event that the member of staff and the parent fail to reach a satisfactory resolution then parents will be advised to proceed with their complaint in accordance with Stage 2 of this procedure.

Stage 2 – Formal Resolution

- If the complaint cannot be resolved on an informal basis, then the parents should put their complaint in writing to the Headmaster. The Headmaster will decide, after considering the complaint, the appropriate course of action to take.
- In most cases, the Headmaster will meet / speak to the parents concerned, normally within two working days of receiving the complaint, to discuss the matter. If possible, a resolution will be reached at this stage.
- It may be necessary for the Headmaster to carry out further investigations. These will be completed within the working week or as soon as is practicable.
- The Headmaster will keep written records of all meetings and interviews held in relation to the complaint.
- Once the Headmaster is satisfied that, so far as is practicable, all of the relevant facts have been established, a decision will be made and parents will be informed of this decision in a meeting and / or in writing. The Head will also give reasons for his decision.
- The written decision will normally be issued in fourteen days of receiving the complaint. If for any reason this is not possible, the Headmaster will write to the parents within the fourteen day period referred to above, stating the reason or reasons why he is unable to issue his decision and informing the parents when he will do so, which will be within twenty-eight days of receipt of the complaint in any event.
- If parents are still not satisfied with the decision, they should proceed to Stage 3 of this procedure.

In the case of a complaint made against the Headmaster, these should be made directly and in writing to the Chair of Governors (at the School's address). The Chair of Governor's will then follow the procedures listed in Stages 2 (substituting the title Chair of Governors for Headmaster) and then 3 (if the parents are not satisfied with the decision at the end of Stage 2). The Clerk to the Governors will not be involved at any stage should the formal complaint be against the Headmaster.

Stage 3 – Panel Hearing

- Upon receipt of the written decision, if parents seek to invoke Stage 3 (following a failure to reach an earlier resolution), they are to write to the Headmaster informing him of their decision to do so within twenty-eight days, whereupon the matter will be referred to the Chair of Governors, who has been appointed by the Governors to call hearings of a Complaints Panel.
- The matter will then be referred to the Complaints Panel for consideration. The Panel will consist of at least three persons not directly involved in the matters detailed in the complaint, one of whom shall be independent of the management and running of the school. In the event of a complaint against the management of the school, all three persons will be independent to the management and running of the school.
- Each of the Panel members shall be appointed by the Governing Body. The Clerk to the Clerk of Governors, on behalf of the Panel, will then acknowledge the complaint and schedule a hearing to take place as soon as practicable and normally within fourteen days.
- If the Panel deems it necessary, it may require that further particulars of the complaint or any related matter be supplied in advance of the hearing. Copies of such particulars shall be supplied to all parties not later than five working days prior to the hearing. Any such further particulars received within five working days prior to the hearing shall be disregarded and inadmissible to the panel because it will not be possible to provide copies to all parties within that timescale.
- The parents may be accompanied at the parent hearing if they wish. This may be a relative, teacher or friend. Legal representation will not normally be appropriate.
- If possible, the Panel will resolve the parents' complaint immediately without the need for further investigation.
- Where further investigation is required, the Panel will decide how it should be carried out and when it should be concluded. After due consideration of all facts they consider relevant, the Panel will reach a decision and may make recommendations, which it shall complete within fourteen days of the Hearing wherever possible, but within twenty-eight days in any event unless otherwise

agreed with the parents. The Panel will write to the parents informing them of its decision and the reasons for it. The decision of the Panel will be final. The Panel's findings and, if any, recommendations will be sent in writing to the parents, the Headmaster, the Governors and, where the complaint relates to an individual, to that individual. A copy will be available for inspection on the school premises by the Governing Body and the Headmaster.

- Parents can be assured that all concerns and complaints will be treated seriously and confidentially. Correspondence, statements and records will be kept confidential except in so far as is required of the school by paragraph 6(2) j of the Education (Independent Schools Standards) Regulations 2003; where disclosure is required in the course of the school's inspection; or where any other legal obligation prevails.

Footnotes to Complaints Procedure

- In the event that a complaint involves or relates to a member of staff, then the member of staff will be kept fully informed in writing of the procedure being adopted in relation to the management of the complaint and supplied with copies of all documentation.
- In the event of a Panel Hearing, the member of staff will have the right to make presentations to the Panel.
- Correspondence, statements and records relating to individual complaints are to be kept confidential except where the Secretary of State or a body conducting an inspection under section 109 of the 2008 Act, as amended, requests access to them.

The Headmaster is the person responsible for the Complaints Procedure Policy.

A written record is kept of actions taken by the school as a result of formal complaints (regardless of whether they are upheld).

EYFS complaints will be made available to Ofsted.

The number of complaints registered under the formal procedure during the academic year from September 2015 to July 2016 was TWO.

Appendix: Complaints Procedure – Independent Member of the Panel

The DfES has supplied the following guidance in a letter to the ISC General Secretary:

Whilst we do not intend to be prescriptive, our general view is that suitable people would be those who have held positions of responsibility and who are used to analysing evidence and putting forward balanced arguments / points. It would add credibility if independent panel members had some standing in the local community. In this connection serving or retired business people, civil servants, heads or senior members of staff at other schools, people with a legal background – perhaps retired members of the Police Force – might be considered suitable by schools. Schools will have their own views and may well have other suitable suggestions to make.

The regulations do not preclude former governors or staff of the school as the independent panel member, since the stipulation is that the person must be independent of the management and running of the school. Clearly, former governors or staff would not have any such involvement. However, schools should bear in mind that they may be subject to criticism that such people would remain too close to the school and would not be truly independent.

SAFEGUARDING

Compliments and Complaints Policy (EYFS)

Sevenoaks Preparatory School is committed to providing a safe, stimulating, consistent and accessible service to children and their parents/carers. We always aim to provide high quality services for everyone, but accept that sometimes things do not go according to plan. In such circumstances, we want to know so that we can put them right and learn from our mistakes.

This policy constitutes Sevenoaks Preparatory School's formal Complaints Procedure. It will be displayed on the premises at all times.

If you have a complaint, the school is committed to:

1. listen and learn
2. put things right
3. improve our service

Under normal circumstances, the Head of Pre-Prep will be responsible for managing complaints. If a complaint is made against this person, the Headmaster will conduct the investigation. All complaints made to staff will be recorded in detail in the Incident Record Book. The Head of Pre-Prep will ensure that each complaint is fully investigated.

If the Head of the Pre-Prep has good reason to believe that the situation has child protection implications, the Designated Safeguarding Lead will be informed who will then ensure that the local social services department is contacted, according to the procedure set out in the Safeguarding Policy. If any party involved in the complaint has good reason to believe that a criminal offence has been committed, then the police are contacted.

Stage 1

If a parent/carer has a complaint about some aspect of the school's activity, about the service the school provides, or about the conduct of a member of staff, it will often be possible to resolve the problem by simply speaking to the individual concerned. As outlined in the Partnership with Parents / Carers Policy, the school is committed to open and regular dialogue with parents / carers and the school welcomes all comments on its services, regardless of whether they are positive or negative.

In the first instance, parents / carers are encouraged to speak directly to the relevant member of staff, if deemed appropriate. If not, the Head of Pre-Prep should be approached and he will try to resolve the problem. If a satisfactory resolution cannot be found, then Stage 2 of the procedure will formally come into operation.

Stage 2

If informal discussions of a complaint or problem have not produced a satisfactory resolution to the situation, parents / carers should put their complaint in detail and in writing to the Head of Pre-Prep. Relevant names, dates, evidence and any other important information on the nature of the complaint should be included.

Sevenoaks Preparatory School will acknowledge receipt of the complaint within three working days and will give a response to the complaint within ten working days. We shall explain what we are doing to resolve the issues raised if it will take longer than the ten days to do this.

The Head of Pre-Prep will be responsible for sending a full and formal response of the outcome of the investigation to the complaint – within 28 days of having received the complaint* .

The formal response to the complaint from the school will be sent to the parent / carer concerned and copied to all relevant members of staff if appropriate. The response will include an account of the findings, any actions taken as a result, recommendations for dealing with the complaint and any amendments to the School's policies or procedures emerging from the investigation.

The Head of Pre-Prep will arrange a time to meet the parent / carer concerned and any other relevant individuals, such as members of staff, to discuss the complaint and the School's response to it. The Head of Pre-Prep will judge if it is best for all parties to meet together or if individual meetings are more appropriate.

If at the conclusion of this process parents/carers remain dissatisfied with the response they have received, the original complaint (along with the School's response) will be passed to the Headmaster, who will adjudicate the case.

Parents / carers may have right of appeal to the Chair of Governors, should they be not be satisfied with the procedure.

Records of all complaints and their outcome will be retained for a period of at least three years from when the record was made.

* The CR requires a parent who makes a complaint, to receive a written outcome of the investigation within 20 days of having made the complaint.

Complaints Procedure Policy: Updated Spring 2018
