

**100 CLUB** – We are delighted to be launching our community initiative to mark our centenary, the 100 Club. Every pupil, staff member and governor will undertake a centenary challenge during the year and, once completed, will join our 100 Club and be awarded a commemorative wristband. Look out for all the interesting challenges such as 100 acts of kindness, donation of 100 toys to Pembury hospital, collection of 100 discarded plastic items from our countryside, sending 100 pairs of glasses to a developing country and many more.

The governors and I feel it is particularly fitting that the community spirit of The Prep is being shared more widely throughout the year.

*Jan Berry, Chair of Governors*

**Save the Children**

We will be supporting Save the Children as our charity during our centenary year. It was also founded in 1919.

**CENTENARY CALENDAR**

— **2019** —

**OF EVENTS**

**2019 IS OUR CENTENARY YEAR.** Whilst the school has evolved since it was founded in 1919, I am proud that it remains true to its ethos and The Way of Life. It continues to be a family school that values every member of its community.

I look forward to welcoming staff, parents, governors and alumni in celebrating this milestone through our full and varied calendar of events.

*Luke Harrison, Headmaster*
