## **11. Procedures for Responding to Specific Online Incidents or Concerns**

### **11.1 Online Sexual Violence and Sexual Harassment between Children**

Our setting has accessed and understood "Sexual violence and sexual harassment between children in schools and colleges" (2018) guidance and part 5 of 'Keeping children safe in education' 2018.

Sevenoaks Preparatory School recognises that sexual violence and sexual harassment between children can take place online. Examples may include; non-consensual sharing of sexual images and videos, sexualised online bullying, online coercion and threats, unwanted sexual comments and messages on social media, and online sexual exploitation.

- Full details of how we will respond to concerns relating to sexual violence and sexual harassment between children can be found within our safeguarding and anti-bullying policy.

Sevenoaks Preparatory School recognises that internet brings the potential for the impact of any sexual violence and sexual harassment concerns to extend further than the local community, and for a victim or alleged perpetrator to become marginalised and excluded by online communities.

Sevenoaks Preparatory School also recognises the potential for repeat victimisation in the future if abusive content continues to exist somewhere online.

Sevenoaks Preparatory School will ensure that all members of the community are made aware of the potential social, psychological and criminal consequences of online sexual violence and sexual harassment between children by implementing a range of age and ability appropriate educational methods as part of our PSHEe and RSE curriculum.

We will ensure that all members of the community are aware of sources of support regarding online sexual violence and sexual harassment between children.

We will respond to concerns regarding online sexual violence and sexual harassment between children, regardless of whether the incident took place on our premises or using our equipment.

If made aware of online sexual violence and sexual harassment, we will:

- Immediately notify the DSL (or deputy) and act in accordance with our safeguarding and anti-bullying policies.
- If content is contained on learners' electronic devices, they will be managed in accordance with the DfE 'searching screening and confiscation' advice.

- Implement appropriate sanctions in accordance with our behaviour policy.
- Inform parents and carers, if appropriate, about the incident and how it is being managed.
- If appropriate, make a referral to partner agencies, such as Children's Social Work Service and/or the Police.
- If the concern involves children and young people at a different educational setting, work in partnership with other DSLs to ensure appropriate safeguarding action is taken in the wider local community.
  - If a criminal offence has been committed, the DSL (or deputy) will discuss this with Kent Police first to ensure that investigations are not compromised.
- Review the handling of any incidents to ensure that best practice was implemented, and policies/procedures are appropriate.

### **11.2 Youth Produced Sexual Imagery ("Sexting")**

Sevenoaks Preparatory School recognises youth produced sexual imagery (known as "sexting") as a safeguarding issue; all concerns will be reported to and dealt with by the DSL (or deputy).

- Ensure the DSL (or deputy) responds in line with the ‘Sexting in schools and colleges: responding to incidents and safeguarding young people’ guidance.
- Store the device securely.
  - If an indecent image has been taken or shared on our network or devices, we will act to block access to all users and isolate the image.
- Carry out a risk assessment which considers any vulnerability of learners involved; including carrying out relevant checks with other agencies.
- Inform parents and carers, if appropriate, about the incident and how it is being managed.
- Make a referral to Children’s Social Work Service and/or the Police, as deemed appropriate in line with the UKCCIS : ‘Sexting in schools and colleges: responding to incidents and safeguarding young people’ guidance.
- Provide the necessary safeguards and support for learners, such as offering counselling or pastoral support.
- Implement appropriate sanctions in accordance with our behaviour policy but taking care not to further traumatise victims where possible.
- Consider the deletion of images in accordance with the UKCCIS: ‘Sexting in schools and colleges: responding to incidents and safeguarding young people’ guidance.

- Images will only be deleted once the DSL has confirmed that other agencies do not need to be involved; and are sure that to do so would not place a child at risk or compromise an investigation.
